

Your New Home

It's more than 4 steps, but the journey to owning your new home is simple. It may not always be easy, but I'm here to help.

01

Interview agents

Pick an agent that really 'gets' you - like me!

02

Get financing in order

If you don't have one you trust already I am happy to give you the names of some of my trusted lenders - different lenders offer different programs!

03

Go Shopping!

This is the fun part! You get to go find the next place for you to call home!

04

Contract to close

You found your next home, and made a great offer! You're now in escrow. I've done this a whole bunch of times and will guide you through the entire process!
